Recipient further agrees that at no time will Recipient manufacture or in any other way produce a product or products resulting from knowledge or information gained by any means under this agreement and Recipient agrees that any new concepts or ideas developed as a result of discussions and disclosures under this agreement shall become the immediate and exclusive property of the Discloser.

Recipient understands and agrees that Discloser is providing Confidential Information to Recipient in reliance on Recipient's agreement contained herein, and Recipient will be fully responsible to Discloser for any damage or harm caused to Discloser by any breach of this agreement by Recipient.

Recipient agrees that Discloser is entitled to equitable relief, including injunction and specific performance, in the event of any breach of this Agreement by Recipient, in addition to all other remedies available at law or in equity.

At any time, upon request by Discloser, Recipient will within five (5) business days return all Confidential Information furnished to Recipient, and any copies or extracts thereof, and destroy any notes or analyses which are derived from or contain any Confidential Information.

Recipient's duty to protect Discloser's Confidential Information expires five (5) years from the date of this Agreement.
